

REMARKS

Page 14 of the Office Action acknowledges that claims 30, 32, and 35 claim to allowable subject matter. As suggested in the Office Action, claims 30 and 32 have been “rewritten in independent form” to include all of the claim limitations previously set forth in claim 1. Claim 35 was previously deemed allowable and thus remains pending as originally filed. All other claims have been cancelled to place the application in condition for allowance.

CONCLUSION

Applicants believe that all claims as currently amended are in condition for allowance. If the Examiner disagrees with that conclusion, Applicants hereby request a telephone interview with the Examiner to discuss any outstanding issues.
